## The Weather Will Be Changing

I hope everyone is staying warm, as I write this article the temperatures in our area are in the teens with wind chills in the single digits. Brrrrr! It is just a little too cold to be on the Gold Wing. But never fear, one of the great benefits of living in Georgia is that the weather changes often. So don't lock away the motorcycle and riding gear just yet, because it may be sunshiny and toasty warm in a day or so.

We attended the Chapter S Sweet Heart Fun Day. The Chapter S Team had a fantastic event. There were approximately 165 members in attendance and 11 Georgia Chapters represented at the Chapter S Fun Day. The fellowship was great as well as the food, games and door prizes. There were several

Contestants in waiting...

that participated in the Chapter Challenges and as usual the Challenges are quite different at the Chapter S Fun Day.

Contestants in action!

B2 was victorious in capturing the Georgia District Travelers Plaque from Chapter S and will be offering it for capture on February 28<sup>th</sup>.

The Hot Potato is now on its journey, at the Chapter S Fun Day a drawing was held from all the chapters in the District and Chapter I2 was the lucky one pulled to start the Hot Potato. Jeanna Phillips of Chapter I2 accepted the Hot Potato Plaque. Your chapter may be the lucky recipient of the Hot Potato soon.

Let's remember, it's all about visiting with fellow members with a little friendly competition included. So, have fun with both the Travelers Plaque and Hot Potato as you visit old friends and make new one along the way. Don't forget when you are visiting other chapters to take your Visitation Photo for the Photo Contest.

### The Weather Will Be Changing

(Continued from page 1)

We have recently added another benefit to preregistering for the 2015 Georgia District Rally. It is a chance to win a **FREE CRUISE FOR TWO!** So don't put it off and miss the deadline to be entered for the cruise

drawing.

The Florida District Rally is the first District Rally in Region “A” and is coming up March 19-21, 2015 in Kissimmee, FL. Their theme is “America The Beautiful”. It is a good time of the year to travel south, so let's go and

support our next door neighbors and have some FUN at the Florida Rally.

We hope to see you on the road soon.

### GETTING READY FOR RIDING WEATHER

WOW! Can you believe it? March is here already with dreams of warmer weather coming! If you're like me, you are thinking about what needs to be done to get ready for some serious bike riding. Even though I have been riding when there was a break in the weather and did my T-

CLOCK each time, now is the time to prepare for the approaching riding season.

First, the bike needs to be serviced and checked out. Then do some practice riding to get the winter rust off. The practice is best done in a parking lot

or another safe area.

So get out there and do what you really enjoy. Ride, have fun and be safe!

Don't forget to visit fellow chapters and friends.
