

# 2008 Georgia Wing Fling

Be sure to be there for what's bound to be an action packed event!

Chapters from everywhere are invited to custom-build their own flavor of Chariot and bring it to Athens, Georgia on Saturday, June 14<sup>th</sup> – 2:00 to 3:00 pm. Once there, Chapters will pick their most swift and nimble members to pull their chariot through an obstacle course. Beware of the "Spills" in this event, as these chariots "Run" through every obstacle you can imagine!

Come on out and join the fun – we'll be ready for you!

## Chariot Racer Specifications
