A portion of the proceeds from this event will go to our charity, Project Linus.

Project Linus provides blankets to children from birth to age 18 that are going through a traumatic situation and could use a bit of comfort. The quilts are made by volunteers and distributed through their local chapters to area hospitals, Red Cross, schools, etc. Our local chapter serves a 4 county area. In 2009 our local chapter donated 548 quilts/blankets.
